

## 60cm Touch Control Ceramic Hob

VGCT60

### FEATURES AND BENEFITS:

#### 4 Ribbon Elements

Ribbon elements create a more even heat than other types.

#### Frameless Design

Not only does it look good, but it's easier to clean without the usual edge trapping dirt and grime.

#### Residual Heat Indicators

As long as the element is hot this light will continue to glow.

#### Touch Control

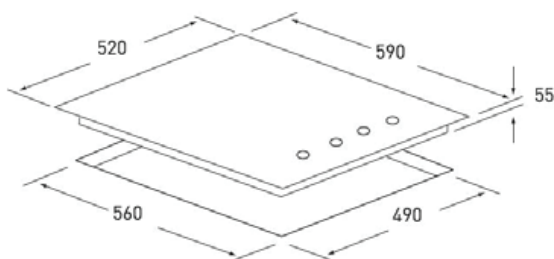

Simple to use touch control gives you greater control over temperature.

## 60cm Induction Hob

VGIT60

### FEATURES AND BENEFITS:

#### 4 Induction Elements

Quick heat up and consistent temperature makes Induction cooking the best choice, especially when cooking delicate foods such as sauces or chocolate.

#### Frameless Design

Not only does it look good, but it's easier to clean without the usual edge trapping dirt and grime.

#### Residual Heat Indicators

As long as the element is hot this light will continue to glow.

#### Cool Touch Surface

Induction cooking heats the pots and pans rather than the element itself the hob surface remains cool eliminating the chance of burning yourself.

#### Touch Control

Simple to use touch control gives you greater control over temperature.

ELEMENT CONFIGURATION
